To our patient family:

Fast approaching is another year's end - and you may have dental treatment that you have put on hold. Now is the time to schedule those appointments to maximize your insurance benefits and use any remaining flex account dollars.

As appointments fill quickly for November and December, please call our office at 770-495-0824 so we may schedule a convenient time for your appointment.

As always, thank you for being our patient and have a wonderful holiday season!
